

Prof. John Paul Oyore, PhD

1.0 PERSONAL PROFILE

1.1.1 PERSONAL DETAILS

NAME: PROF. JOHN PAUL OYORE, PhD

DESIGNATION: Ag. Registrar (Research, Innovation and Outreach).
Kenyatta University
and Associate Professor of Epidemiology
Department of Family Medicine, Community Health and
Epidemiology
Kenyatta University, School of Health Sciences
P.O. BOX 43844- 00100
NAIROBI

TELEPHONE: Office: 254 –801901-19 Ext 3544

E-MAIL: oyore.john@ku.ac.ke or jpoyore@gmail.com

GENDER: Male

NATIONALITY: Kenyan

DATE OF BIRTH: 30th November 1978

ORCID NUMBER: <https://orcid.org/0000-0002-9738-6565>

Google Scholar: <https://scholar.google.com/citations?user=jHzFmuAAAAAJ&hl=en>

AREA OF SPECIALIZATION: Epidemiology and Diseases Control

AREAS OF RESEARCH INTERESTS:

- Program / Project Management: situation analysis; program planning and development of interventions.
- Implementation Research
- Project/Programme Monitoring and Evaluation, Baseline Surveys
- HIV and AIDS/ RMNCAH/WASH/NUTRITION Program Evaluations

- Epidemiology of infectious diseases
- Health Education and Promotion including Behaviour Change Communication
- Community Health and Health Services Management:
- Public health-oriented Curriculum development and review

1.1.2 ACADEMIC AND PROFESSIONAL QUALIFICATIONS

1.1.2.1 Academic Qualifications

- **2009:** PhD in Public Health, Kenyatta University, Kenya
- **2003:** Master of Public Health and Epidemiology (MPHE), Kenyatta University, Kenya
- **2000:** Bsc. Env Sc (Hons), Kenyatta University, Kenya
- **1995:** Kenya Certificate of Secondary Education (KCSE), St Mary's School, Yala, Siaya County, Kenya
- **1991:** Kenya Certificate of Primary Education (KCPE), Boro Primary School, Siaya, Kenya.

1.1.2.2 Professional Courses

- 2000- Completed assorted courses on computer applications packages (MS DOS, MS WORD, MS EXCEL, SPSS, Internet, etc)
- 2006- Completed statistical Packages (SAS, STATA, FOX PRO, FILE MAKER etc)

1.1.2.2 Other Courses

- 2017 - Completed-**Qualitative Evaluation Method - Training of Trainers (TOT) Workshop** held in Cuernavaca, Mexico, from February 17th –28th February 2017.
- 2016 -Completed -**Health Impact Evaluation (IE) Training of Trainers (TOT) Workshop** held in Accra, Ghana from Monday, May 2 –Tuesday, May 10, 2016.
- 2013- Completed a certificate training on ***“Impact Evaluation for Health Professionals Short course”*** by KEMRI, University of Berkeley and Innovations for Poverty Action
- 2012- Completed the World Banks Group's Impact Evaluation training on ***“Innovating in Design-Evidence for Impact in Health”*** in Cape Town South Africa by the World bank and Development Impact Evaluation Initiative (DIME)
- 2012 - Completed and introductory course on ***Stata (A statistical Package for data analysis)*** Implemented by Tulane University (USA) and Kenyatta University

- 2006- Completed a HIV/AIDS curriculum induction Training by KU and UNDP HIV/AIDS ToT Team
- 2005- Completed a “*Malarial Anaemia and Related Co-Infections Training*” by University of Pittsburgh and KEMRI

1.1.3 EMPLOYMENT HISTORY

Ag. Registrar (Research, Innovation and Outreach)

Kenyatta University

May 2026 to date

Key Responsibilities

- Reporting directly to the Deputy Vice-Chancellor (Research, Innovation and Outreach).
- Supporting the coordination, administration, leadership, and strategic direction of the University’s research, innovation, and outreach agenda through the development and strengthening of compliance structures, policies, procedures, infrastructure, resource mobilization initiatives, systems, and educational programmes that enhance research, innovation, extension, and related activities.
- Facilitating the development and implementation of high-quality research initiatives while promoting and sustaining a culture of research compliance among faculty, students, and staff engaged in research and related activities at Kenyatta University.

Associate Professor of Epidemiology, Department of Family Medicine, Community Health and Epidemiology

Kenyatta University: July 2025 to date –

Duties of an Associate Professor

- Provide leadership in curriculum design, development, and delivery of undergraduate and postgraduate programmes.
- Conduct high-impact research, publish in peer-reviewed journals, and present at international conferences.
- Supervise postgraduate students (Masters and PhD) and mentor junior faculty and teaching assistants.
- Lead and participate in competitive research grant development and resource mobilization.
- Contribute to academic staff recruitment, training, and performance development.
- Participate in faculty governance, committees, and strategic academic planning.
- Facilitate academic partnerships, guest lectures, and industry engagement.
- Lead organization of academic seminars, conferences, and knowledge dissemination forums.

Senior Lecturer, Department of Family Medicine, Community Health and Epidemiology

Kenyatta University: Feb 2015 to June 2025

Duties of Senior Lecturer

- Deliver teaching programmes in alignment with university policies, standards, and strategic priorities.
 - Develop course content, teaching materials, and deliver lectures, tutorials, and seminars.
 - Conduct individual and collaborative research and contribute to scholarly publications.
 - Identify funding opportunities and support development of research proposals.
 - Provide academic leadership, mentorship, and staff development support.
 - Ensure quality assurance, programme accreditation, and compliance with academic standards.
 - Manage academic processes including timetabling, assessments, and examinations.
 - Build collaborations with academic institutions, industry, and professional bodies.
 - **Courses Taught:** Principles of Epidemiology, Applied Epidemiology, Health Project Planning, Monitoring and Evaluation, Community Health and Primary Health Care, Fundamentals of Monitoring and Epidemiology, Infectious Diseases Epidemiology, M and E of RMNCAH Programs, M and E of HIV/ TB Programs
- **2009 - 2014:** Lecturer, Department of Community Health
 - **2004 – 2008:** Tutorial Fellow, Department of Public Health

1.1.4 SUMMARY OF KEY ACHIEVEMENTS

Teaching & Supervision

- Consistently achieved **Grade A student evaluations** in taught courses.
- Developed core modules: *Principles of Epidemiology, Applied Epidemiology, Community Health & PHC.*
- Successfully Supervised **15 PhD and 35 MPH students to completion**: currently supervising **12 PhD and 32 master's students**.
- Served as **external examiner** across multiple universities, ensuring academic quality and standards.

Academic Leadership & Programme Development

- Served as **Chairman, Department of Community Health (2013–2017)**, providing academic and administrative leadership.
- Led development of key programmes:
 - BSc Community Health

- MSc Applied Hospital Epidemiology
- MPH (M&E Track) in collaboration with Tulane University

Research, Grants & Publications

- Secured competitive grants:
 - **KSh 18.6M (National Research Fund)** as PI/Consortium Coordinator
 - **KSh 7M (UNICEF)** as Co-PI
- Published **56 peer-reviewed papers** and contributed to a **book chapter**.
- Served as **manuscript reviewer (CODESRIA, Senegal)**.
- Presented at conferences and contributed to research training (WHO-supported initiatives).

Consultancies and External Collaboration

A **public health expert** and **research consultant** with **22 years'** experience in monitoring and evaluation (M&E), health systems strengthening, and applied epidemiology across Africa. He has led over **150 national and international consultancies**, supporting governments and development partners to design, implement, and evaluate high-impact health programmes.

Core Expertise: M&E systems design and evaluations (baseline, midline, endline); Applied epidemiology and operational research; Health systems strengthening and primary health care; RMNCAH, HIV, TB, and community health programmes; Strategic planning, programme reviews, and performance assessment and Data use for decision-making and policy translation

Consultancy Experience: Worked with UN agencies (UNICEF, WHO, UNAIDS), USAID, World Bank, GIZ, and NGOs including AMREF; Supported Ministries of Health in Kenya, South Sudan, and Lesotho and Led programme evaluations (OECD-DAC), M&E framework design, rapid assessments, and capacity building

Key Strengths: Strong analytical and results-oriented evaluation skills; Experience managing multidisciplinary, multi-country assignments; Effective stakeholder engagement and facilitation and Ability to translate evidence into policy and practice

Institutional & Professional Service

- Member of **University Boards and Committees**, contributing to strategic improvements (e.g., catering services reforms).
- Departmental roles: Research & Outreach Coordinator, Undergraduate Coordinator, Academic Advisor, Website Coordinator.
- Coordinated Community Health programmes and strengthened academic delivery systems.

Community Engagement

- Chairman, Board of Management – Boro Secondary School (Siaya County).
- Active member, Parish Council – Mbaga Catholic Church.

Capacity Building & Training

- Certified in **Pedagogical Skills (Kenyatta University)**.
- Trained as **Trainer of Trainers (ToT)** in Implementation Research and Impact Evaluation (GEMNet, Ghana & Mexico).

1.1.5 OTHER DEPARTMENTAL RESPONSIBILITIES

- Feb 2024-to April 2026 - Departmental Research, Innovation and Outreach Coordinator
- June 2019-2022 – Departmental Coordinator – MBCHB Public Health Program
- June 2022 to date - 4th year class academic advisor
- June 2022 to date - Website coordinator
- June 2022 to date - Undergraduate coordinator

1.2.6 Refereed Learning Modules

- HPH 802: Principles of Epidemiology
- HPH 806: Applied Epidemiology
- HPH 809: Community Health and Primary Health Care

1.2.7 Reviewed Conference Papers

- **Participated and Presented** a Paper on **Zero Dose in Africa** at the 5th Africa Health agenda international conference (AHAIC) 2023 held at Radison Blu Hotel, Kigali Rwanda
- **PARTICIPATED** in a 3-day Conference on the theme The 6 Annual Africa Interdisciplinary Health Conference Mitigating Pandemics, Climate Change & Chronic Diseases in Africa: THE ROLE OF INTERDISCIPLINARY COLLABORATION, Venue: Kenyatta University, Nairobi, Kenya, August 09 - 11, 2023
- Oyore, John Paul Presented a paper on Fire disaster preparedness and Risk factors in secondary schools, the case of Siaya District, Kenya.” at PeriPeri U Consultative Meeting, Imperial Royale Hotel Kampala, Uganda Hosted by the Makerere University School of Public Health, 11th to 12th May 2009

1.2.8 Books and Book Chapters

- 2017** Cheptum J Joyce, Oyore John Paul and Okello-Agina, Bonventure ,
Determinants of Adverse Pregnancy Outcomes, Chapter 6: in Contemporary
issues for Midwifery in Kenya, Numid Publishers, Kenya

1.2.9 Review of Professional periodicals

- May 2022 – Appointed by CODERSIA, Dakar Senegal as a Reviewer, of
Manuscripts for Codersia Publications and Dissemination program
- April 21st 2015-** Appointed by the National AIDS Control Council (NACC) peer
reviewer for the Kenya HIV Research Agenda 2014-2019

1.2.10 Being invited to a Conference as a Guest Speaker

- 12th to 15th July 2021** – Invited to give a keynote address on Universal Health
Coverage during “Experts workshop on economic development
threats and opportunities in Kenya quest for Vision 2030 at
Safaripark Hotel , Kenya
- 20th May 2013-** Gave a Key note on HIV /AIDS in Kenya- A Meta Analysis during
The First HIV and AIDS Scientific Conference at Kenya School of
Monetary Studies, Nairobi Kenya

1.3 QUALITY TEACHING, LEARNING AND MENTORSHIP

1.3.1 Student Evaluations

- HPH 804: Project Planning Monitoring and Evaluation –Regular,
2022/20223 (Grade A)
- HPH 802: Principles of Epidemiology –Regular, 2022/20223 (Grade A)
-

1.3.2 Trainings in Higher Education

- 29th September to 2nd October 2020 – Pedagogical Skills Training, Center
for Teacher professional Development and Excellence , Kenyatta
University
- Attended a GEMNet-**Qualitative Evaluation Method - Training of
Trainers (TOT) Workshop** held in Cuernavaca, **Mexico**, from February
17th –28th February 2017.
- Attended a GEMNet-**Health Impact Evaluation (IE) Training of
Trainers (TOT) Workshop** held in **Accra, Ghana** from Monday, May 2
–Tuesday, May 10, 2016.

1.3.3 ONGOING SUPERVISIONS

1.3.3.1 Ongoing Masters Supervision

1. **Beatrice Koki Makau** Adherence to anti-retroviral therapy and associated risk factors among adolescents living with HIV in Nrb
2. **Abdi Galagalo Q58/25622/18** Factors associated with EBF among mothers of children aged 0-6 months attending Samburu Referral Hospital
3. **Stephen Nzau Q58/CTY/PT/25388/18** Assessment of nutritional intervention as a determinant of ART among patients aged 13-25 in Machakos
4. **Mwangi Muikia Q58/CTY/PT/37992/17** Factors associated with HIV positive sero-status among HIV exposed infants attending mother-baby care clinics in Nairobi
5. **Omondi Bildad Q57/31058/15** Child Focused sanitation and nutrition knowledge and behavior among households with children below 2 years in West Pokot, Kenya
